1. If participation levels warrant a combined team in lieu of separate teams per grade as indicated on this schedule, coaches receive the allocated amount for only one team.
2. If a coach leads more than one team, practices must be held separately to receive 100% of allocated compensation for both teams.
3. If the same coach leads more than one team, but holds joint practices, compensation will be at 100% of allocated compensation for one team and 75% for the other.
4. Staffing levels in excess of above schedule shall not result in total compensation exceeding amount allocated per team.
5. Staff members returning to same position they held in 2019-2020 will be grandfathered in at previous pay scale.
6. Coaches receive up to 2 shirts with a value up to \$75.
7. Part-time AD (up to 126 days) has been added to staffing, rather than the extra-duty sports schedule for retirement purposes and in order that the board does not need to consider an increase in funding each year to allocate the same number of days.

Long-Term Certified Substitute: a substitute that is employed to fill in for a classroom teacher in excess of twenty (20) consecutive work days.

A long term substitute will be paid on the regular teacher's salary rate upon acceptance of the long term assignment. Continually after twenty (20) days may be broken and the substitute still receive full pay if they have a legitimate preapproved reason that is approved by the Principal and the Director of Human Resources. To be eligible for this position, the service must have been continuous within the same position and the substitute must hold a four (4) year degree. Substitute teachers with less than Rank III are not eligible for the regular teacher's salary under this section.

Rationale: Occasionally, due to an illness, injury, maternity leave or early retirement, there will be a need to utilize a substitute teacher for an extended period of time in a particular classroom. When this happens, the substitute usually must for all practical purposes, assume total responsibility of the classroom including daily lesson preparation, student supervision, student evaluation, completion of records and supervision of student activities. Long term substituting expects more of a sub than is normally required of a short-term sub that simply follows lesson plans and activities prearranged by the regular classroom teacher.

Responsibilities: In order to qualify for the **long-term substitute pay**, the substitute must assume total responsibility for classroom management and instruction plus other duties as normally assigned to the regular classroom teacher (i.e, lesson plans, entering grades, extra duty assignments, etc.)

Pre-Authorization Required: The school principal must submit a recommendation indicating beginning and expected ending date of a long term assignment along with the certification of the individual being considered.

- [2] A high school student who also works for the school district as an intern is paid on the appropriate Grade with 0 experience.
- [3] The After School rate is \$1.25 higher than the minimum wage. This Student Worker is not considered a Student Intern.
- [4] The Summer School rate is \$1.50 higher than the After School rate. This Student Worker is not considered a Student Intern.
- [5] This rate applies unless an employee has passed the paraeducator exam and is assigned to be an Instructional Assistant.
- [6] This "Actual" rate is the regular hourly rate paid to the employee. For Summer School, the Actual rate is what was paid in the previous school year. That rate will not change through the end of Summer School.
- [7] This rate applies when an employee holds a valid Kentucky teaching certificate and has been or will be actively employed as a Teacher within the Spencer County School District during the normal school year.

- [10] This rate applies when an employee is assigned as a Teacher in a substitute ("as needed") capacity. The employee must have a 4-year college degree and must hold a valid Kentucky teaching certificate (or has become an emergency-certified teacher). See above for the rate paid to a SCPS teacher when filling in for another Teacher.

*** Summer School employees, including Teachers, have a 30-minute unpaid lunch. Due to the nature of summer programming, employees must continue with reasonable supervision of students during the lunch break. The appropriate timesheet must be completed with start/end times, including for lunch break. If needed, timesheet will be adjusted to reflect unpaid lunch break.
