General Comments

A.17 - Collaborative LEA preschool screenings repeated multiple times; State Collaboration Office sends out Head Start List which was used for recruitment mailings; Family Advocates have worked several community events taking applications and building awareness.

B.3.e - We do not have a dedicated Family Service Manager on staff.

B.10 - Our salary schedule is based on staff requirements as listed in HSPPS. Because EHS classroom teaching staff are not required to obtain a BA or advanced degree, our salary schedule does not pay a greater hourly rate for a staff member with a MA versus a BA. In this particular case, we only have 1 classroom teacher with a MA with only a couple years of experience and we have 3 classroom teachers with a BA, 2 of which have only 10+ years each.

C.24 - We do not have a mental health professional on staff so another staff member (typically Health or Disabilities Specialist) will make the referral for outside mental health services.
